STAR&CO 90x90 TEAK

WIRQUIN launches its new range of shower trays made from exotic wood.

With the STAR and CO trays, the shower becomes a space for pleasure and relaxation.

STAR and CO 90x90 TEAK

This generously dimensioned shower tray is made from Burmese teak. The boat deck type slats and the frame are made from solid teak.

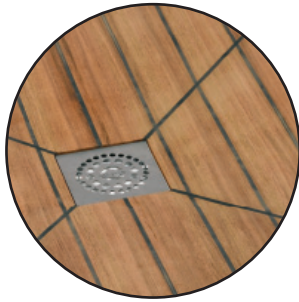

Easy to fit and comfortable to use, STAR and CO 90x90 TEAK promises some very pleasant moments.

-  Large dimension 90x90 shower tray
-  Teak : anti-rot and anti-slip properties
-  Reinforced aesthetics, the edges of the shower tray are made from solid teak

TECHNICAL CHARACTERISTICS

- **Design :**

The tray is made from a panel of wide strips

- **Sensation and pleasure :**

The solid Teak tray is very pleasant and the sensations you feel when you come into contact with the solid wood are incomparable : its warm surface, with its natural anti-slip properties, adds to the user's comfort.

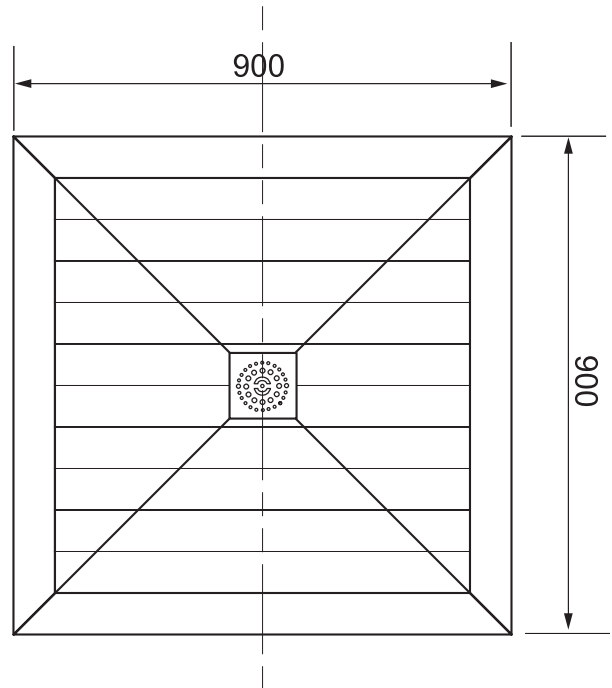

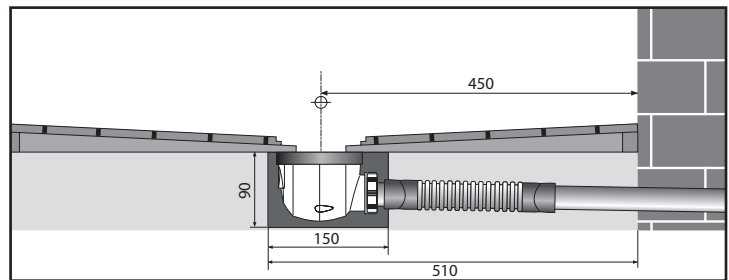

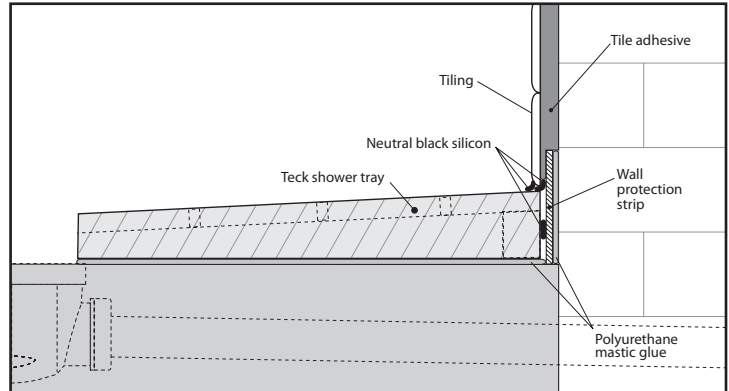

The STAR&CO 90x90 TEAK ensures that you will enjoy your time in a shower space endowed with generous dimensions.

- **Easy to fit :**

The tray simply glues onto a flat frame and the TWISTO waste with stainless steel grid should be used (not supplied).

The solid teak edge allows a wall to be fitted and ensures a perfect finish, even if the tray is not sunken.

- **2 year guarantee**
