

# UNIVERSAL Plug

Bath

Washbasin / Bidet

Sink

## UNIVERSAL I

You are not sure of your grid diameter?  
Never mind! There are more important things in life!

With the Universal plug, this is no longer even an issue!  
The same plug can efficiently seal your sink,  
washbasin, handbasin, or bath.

**... AND ALWAYS NEATLY STORED...**

...thanks to its  
built-in suction pad.

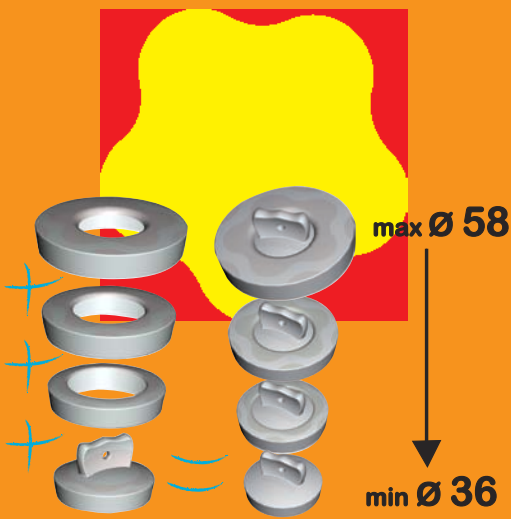

wirquin.com

## UNIVERSAL !

The same plug for the kitchen and the bathroom...

How does it work ?

**The principle is simple** : the plug is supplied with 3 rings which are played one on top of the other. According to the size of the grid, you use or throw away one or several rings.

You want to seal ...	Grid outer diameter	Use...
Resin or stoneware sink	← Ø85 →	
Resin or stoneware sink	← Ø80 →	
Stainless steel sink Bath*	← Ø70 →	
Washbasin* Handbasin* Bidet	← Ø63 →	

\* any material

Built-in suction pad

The universal plug **replaces existing plugs with diameters between Ø36 mm and Ø58 mm.**

Ø36 - Ø58 →

Depending on the diameter of the grid, the plug may stand out slightly, but remains perfectly watertight.

## ALWAYS NEATLY STORED !

No more plugs hanging on the end of their chain!

The universal plug includes a built-in suction pad.

**Place it on a clean flat surface (sink wall, tiling, etc.), press firmly and it sticks!**

### TECHNICAL CHARACTERISTICS

- Material: PVC
- Choice of 3 colours :
  - Anthracite grey
  - Turquoise blue
  - Orange-yellow
- Patented product
- Registered design
- A Wirquin innovation !
