

# TOURBILLON Ø50

SHOWER WASTE

**2 designs in 1 !**

Overlapping washer

Multi-diameter outlet  
Ø40 / Ø41 / Ø43 / Ø50

Waste basket

***A combination of  
design and easy  
maintenance !***

Easy to clean thanks to a removable waste basket

Easy to install thanks to an overlapping washer

Chrome-plated flat grid  
Tourbillon Ø50

## CONSUMER ADVANTAGES

- 2 designs in 1, dome or flat grid
- The waste basket can be removed and cleaned in water. It allows regular cleaning and reduces the risks of blocked pipes.
- Fitted with a multi-diameter outlet, the Tourbillon D50 can take both a Ø40 tube (Continental European diameter), or a Ø41 or Ø43 tube (British diameter).
- The overlapping washer is held in place once the basin has been fitted.

## TECHNICAL CHARACTERISTICS

- Adapts to all shower trays whose thickness is between 0 and 25 mm
- Water seal : 50 mm
- ABS dome and flat grid
- ABS body
- Elastomer washer
- Screw or glue Ø40 outlet, or screw only Ø41 and Ø43 outlet (1"1/2)

	Flat grid	Dome
Flow in 120 mm of water	22,2 L/min	22,2 L/min
